The CADDY CARD™

will help you
identify the areas of
your game that need
improvement!

- Pencil in the location results of every shot on the graphics provided for each hole.
- Make notes on each club used in the “notes” section.
- Record all putts.
- Take the card home, analyze your game hole by hole, shot by shot.
- Use the summary column on page 11 to calculate fairways hit, etc.
- Use all information gathered to plan your next round.
- See your local golf professional for assistance.

WATCH YOUR GAME IMPROVE! LOWER SCORES ARE MORE FUN!

Welcome to Riverview Golf Club

Established in 1980, then expanded to 18 holes in 1991, Riverview Golf Club has matured into the best value for your money in the Medicine Hat area. Designed along the coulees, the course offers some demanding tee shots and astonishing views of the South Saskatchewan River valley.

While at Riverview, please observe the following golf etiquettes:

1. Dress code: No short shorts, bathing suits, halter tops, or muscle shirts. Proper footwear is required.
2. Keep power carts on cart paths by the tees and greens, and away from the roped off areas.
3. Outside alcohol **MAY NOT** be brought onto the course. All A.L.C.B. regulations apply.
4. Please repair ball marks, replace divots, and rake sand traps.

Pace of Play Program

A round of golf at Riverview should take no more than four hours and five minutes. In order to maintain a prompt pace of play:

1. Each hole has three sets of tees allowing all golfers to select the appropriate set of tees relative to their ability and handicap.
2. Sprinkler heads are marked with the yardage measured to the centre of the green.
3. Flag sticks on the greens are colour coded according to hole location: Red=front; White=middle; Blue=back.

To ensure a proper pace of play:

1. Please play the set of tees that best suits your playing ability.

2. Play ready golf and use drop areas.
3. Continue putting if possible rather than marking your ball.
4. When approaching a green, leave carts on the most logical path to the next tee. Do not leave carts in front of the green.
5. When play of a hole is completed, leave the green promptly and record the scores for the completed hole while on the next tee.
6. Keep up with the group in front of you. Let faster players through.
7. Please honour the requests of the golf shop staff, the starters and the rangers on the course. They are trying to ensure the enjoyment of all golfers.

RCGA Rules Govern All Play Except Where Local Rules Prevail.

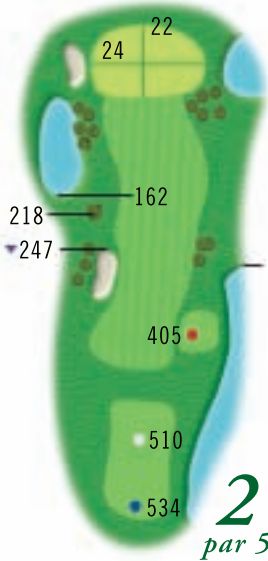

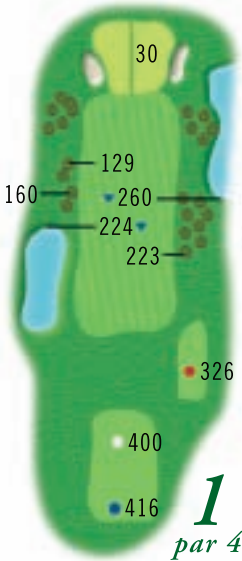

Local Rules

1. **OUT OF BOUNDS:** All boundary fences and white stakes.
2. **RED STAKES:** Lateral water hazard.
3. Ball striking wires on #9, #18 on the fly must be replayed no penalty.
4. Players are allowed one club length relief from roadways & cart paths. Drop ball no nearer to hole - no penalty.

5. 17th hole is out of bounds from 13th tee shot only.

Etiquette

- **DRESS CODE:** No short shorts, bathing suits, halter tops or muscle shirts. Proper footwear must be worn.
- Slow play will not be tolerated. Keep up to group in front of you.

Start your round with one of the toughest holes. Accuracy is key as the narrow fairway is guarded by water and 4 groups of trees. Par is always an excellent start.

Reachable par 5 for the "big hitters". Be careful on your 2nd shot as there is water left and right.

This par 3 can have some tough pins. With the small green, the middle should be your target. Short is always better than long.

This dogleg left par 4 has a tricky tee shot. An adventure awaits if your tee shot misses right. A draw off the tee is ideal.

Short par 5 but a drive in the fairway is key to getting home in two. Be sure to take enough club to fly the water.

Driveable par 4 for some. If laying up, right-center of fairway is best for a clear approach to the green.

The start to back to back tough holes. The drive is key because of water left and O.B. right.

Long par 3 with a very small, well bunkered green. Anything just short of the green is considered a good shot.

Favour the left side as fairway slopes to the right. Club selection for approach is key because of the big green.

#4 1651 Broadway Ave. - Redcliff

A short par 4 with a bush that plays havoc. A tee shot of 200 yards will keep you short of the brush and create a real chance at birdie.

Long dogleg right par 4. A drive hugging the right side will cut off some yardage. Green slopes away on your approach.

Uphill par 4 into the prevailing wind can make the water on the left too tough to carry. Be sure to take more club for your uphill approach.

A severe dogleg right par 5. A straight shot of 190 yards plus opens up the fairway for second shot. Leave a full shot for the approach as the shallow green is tough to hold.

A straight forward short par 3. A true birdie opportunity if you avoid the bunker short right.

This par 4 has O.B. all the way up the left side. Aim at the gas well with a slight draw for an ideal tee shot.

16
par 3

A short par 3 over the coulees. Careful of the wind as it always swirls in this corner of the course.

17
par 4

Our signature hole. An intimidating tee shot with hazards short, left and right. A good drive creates a possible birdie opportunity. It's 190 to carry the coulee and cart path from the blue tee.

18
par 4

A tough par 4 to finish. Make sure your drive stays short of the trees. Your approach plays uphill so take extra club.
